

The Montana Logging Association/ MLA Services Inc is hiring an individual to represent their varied interests as the ***Southwest Regional Representative.***

General Description

The Montana Logging Association is a member-based association with headquarters in Kalispell, MT. The SW Regional Representative would preferably live within a 100-mile radius of Missoula.

Applicants for the position should be prepared to provide Member Services in the areas of: Safety & Loss Control services to logging contractors, trucking companies, saw mills and building material dealers through on site field visitations in Montana. Educational and training services and membership retention/recruitment.

Applicants should also be prepared to represent MLA interests to state and federal agencies, legislative entities and media sources.

This position requires a self-motivated individual preferably with a background in logging, forestry and or safety with strong communication skills. Travel is required, primarily within the state of Montana.

This is a full time, salaried position that includes health & dental insurance, paid vacation and holidays and a retirement contribution.

Resumes will be accepted through May 15.
